

1. Please go to www.unionwireless.com. Select the Register link at the top of the page.

2. Fill out the required information and click the Register button at the bottom of the page.

A screenshot of the 'Register' form on the website. The form is titled 'Register' and is divided into several sections. The first section is 'Your Personal Details', which includes four required fields: 'First name', 'Last name', 'Email', and 'Username', each with a red asterisk indicating it is required. The second section is 'Company Details', which includes a 'Company name' field. The third section is 'Options', which includes a 'Newsletter' checkbox that is checked. The fourth section is 'Your Password', which includes two required fields: 'Password' and 'Confirm password', each with a red asterisk. At the bottom of the form is a purple 'Register' button.

3. After you submit your registration you will receive an email requesting that you verify the email address used, once you have verified this please click the Activate My Account button.

4. When logging in for the first time you will be directed to the verification page. Please fill in your account number and Zip Code and click the Send Verification Email.

The screenshot shows a form titled "My account - Link Account". Under the heading "Account details", there are two input fields: "Account number" and "Zip Code", each with a red asterisk to its right. Below the input fields is an orange button labeled "Send Verification Email".

5. Once the verification email is received just click the Approve Account Linking and your account setup is complete.
